Norwegian - On Air episode #9: Equity analysts from Pareto and Carnegie

How do the equity analysts see the Norwegian case? What do they focus on in their coverage of the Norwegian share? What do they see as valuable information and what they see as noise?

In this podcast episode of Norwegian - On Air, we have spoken to two experienced equity analysts, Preben Rasch-Olsen, Carnegie and Kenneth Sivertsen, Pareto - both following Norwegian closely.

We would like to highlight that the analysts' views are not the company's.
